# Lift and slide doors

**KNEER · SÜD**  
**FENSTER**

Lived Vision

The high-quality lift and slide doors from **KNEER-SÜDFENSTER** offer a seamless panoramic view and an elegant appearance. They can also be operated by motor upon request.

Set architectural standards not only in terms of design, but also in terms of comfort, with the barrier-free lift and slide door „SKY AXXENT“.

# Timber curtain walls

**KNEER · SÜD**  
**FENSTER**

Lived Vision

Timber curtain walls are made of aluminum-wood from **KNEER-SÜDFENSTER** inspire by generous glass surfaces and increase the living quality enormously.

Windows and door elements fit almost invisibly into the filigree construction without additional frames.

# Shading systems

for new construction and renovation

A shading system adapts to your individual wishes, to protect you from heat, noise, unwanted views, burglary and heat loss. Choose from a variety of different options.
